

ACCREDITATION STATEMENT

ISSUED TO: University of Hull
5016977

PROGRAMME: BSc Professional Practice in Supply Chain Leadership
UGPPSCXF / UGPPSC / UB1BSC16

ROUTE/CONDITIONS: As defined in Appendix 1

VALIDATION DATE: 1 February 2019 – 31 August 2020

1. A condition of accreditation requires the University to ensure learners are aware of CIPS and encourage membership of CIPS during their period of study.
2. Learners who successfully complete the above programme and meet the conditions specified may apply for MCIPS, the globally recognised standard for procurement and supply management professionals. Applications must be received within five years of the date on the degree certificate. Acceptance will be subject to the submission of a formal application form and evidence of three years' experience in procurement and supply management in a position of responsibility. Entrance and membership fees applicable at the time of admission to CIPS will be payable.
3. This Statement is renewable annually and is subject to a review process which requires the University to provide details of any relevant changes to the programme, particularly as they relate to content, structure or standard. Previous versions of the programme are not automatically accredited.
4. This Statement applies solely to the programme and institution mentioned above. Any other programmes, however similar in content, structure or standard are not included and must be accredited separately.
5. CIPS reserves the right to withdraw its accreditation of this programme if it becomes evident that the content, structure or standards have deviated substantially from the original programme or, if in the opinion of CIPS, further association with the programme brings CIPS into disrepute.

DATE ISSUED: September 2019

Supply Chain Information Management and Big Data	500368

Year 3:

Module	Module Code
Advanced Designing Practitioner Research	600486
Negotiated Learning – Global Logistics & Port Management	600533
Negotiated Learning – Supply Chain Sustainability and the Environment	600531
Major Work Based Project	600487
End Point Assessment	N/a

- The following modules must be focused on a procurement and supply chain topic
 - Advanced Designing Practitioner Research
 - Major Work based Project (incorporating EPA)
- All modules must be passed with no condonements or compensations.

To enable learners to apply for MCIPS the following conditions apply to this CIPS Accreditation Statement and must be met in full:

- The following ‘Negotiated Learning’ modules must be focused on a procurement and supply chain topic.
 - Global Logistics and Port Management – year three
 - Supply Chain Sustainability and the Environment – year three

- If the ‘Negotiated Learning’ module at year two – ‘Leadership and Change Management’ is not taken – then the topic must be on a similar management/leadership topic.

Documentary evidence (i.e. transcript and certificate) supporting the above conditions must be provided to CIPS.
