

**LEVEL ACCREDITATION - PROGRAMME RECOGNITION**

ISSUED TO: Higher Colleges of Technology (HCT)

PROGRAMME: Bachelor's degree in Logistics and Supply Chain

ROUTE/CONDITIONS: As defined in Appendix 1

VALIDATION DATE: 1 September 2018 – 31 August 2019

The above named certificated learning programme is recognised for accelerated entry to:

**CIPS Advanced Diploma in Procurement and Supply**

**The following conditions apply and must be met in full:**

1. A condition of accreditation requires the University to ensure learners are aware of CIPS and encourage membership of CIPS during their period of study.
2. This Statement is renewable annually and is subject to a review process which requires the University to provide details of any relevant changes to the programme, particularly as they relate to content, structure or standard. Previous versions of the programme are not automatically accredited.
3. This Statement applies solely to the programme and institution mentioned above. Any other programmes, however similar in content, structure or standard are not included and must be accredited separately.
4. CIPS reserves the right to withdraw its accreditation of this programme if it becomes evident that the content, structure or standards have deviated substantially from the original programme or, if in the opinion of CIPS, further association with the programme brings CIPS into disrepute.

**DATE ISSUED: January 2019**

**SIGNED:**

**Group Professional Standards and  
Regulation Director**

## APPENDIX 1

Learners who successfully complete all units (listed below) of Higher Colleges of Technology (HCT) Bachelor's degree in Logistics and Supply Chain, may apply for direct entry to the CIPS Advanced Diploma in Procurement and Supply, without having to complete the CIPS Diploma in Procurement and Supply. However, learners are NOT eligible to be awarded certification for the CIPS Diploma in Procurement and Supply.
