- 3) A minimum of 120* credits of specialist content must be present in each Accredited Programme.
- 4) Course length

Accreditation is only valid provided there are no outstanding fees relating to the accreditation application/renewal.
- 7) Each University with an Accredited programme will be issued with an Accreditation Statement and CIPS Accreditation Certificate confirming the Accreditation status of each programme.
- 8) For programmes delivered in multiple physical locations the following applies:
 - a. For face to face delivery or a blended delivery, each physical delivery University location will be required to apply for and fund (at the standard renewal rate) their own Accreditation Statement and Certificate.
 - b. For programmes delivered as full on-line programmes from one site to students in multiple locations, a single Accreditation Statement and Certificate is required at the standard renewal rate.
- 9) Programme Accreditations are not confirmed retrospectively.
